

instance the English spelling followed as closely as possible the phonetic English sound of each word, as each was pronounced in its local community. The greatly increased use of printing presses stabilized spelling of English words after the 18th A.D. century. This was particularly true in the case of spelling in the *Old and New Testament* as the wide use of printing presses then made possible wide distribution to the laity for the very first time in the history of Christianity at the modest prices Christians were able to pay.

The "big lie" technique of the unholyest hoax in all the recorded history of mankind brainwashed U.S.A. Christians that the religious faith today professed and practised by so-called "Jews" throughout the world, under the name "Judaism," was also the name under which the so-called "Jews" of the Holy Land in *Old Testament* history professed and practised their religious belief. There never was any foundation in fact for that unproven contention.

The celebrated Rabbi H. G. Enelow and Rabbi Adolph Moses, the two most qualified and most competent authorities in the world on this question, in their great classic *Yahvism, and Other Discourses*, published in 1903 by the Louisville Section of the *Council of Jewish Women*, state the following:

"Among the innumerable misfortunes which have befallen . . . the most fatal in its consequences is the name Judaism . . . worse still . . . Jews themselves . . . have gradually come to call their religion Judaism . . . yet, neither in biblical nor in post-biblical, neither in talmudic, nor in much later times, is the term Judaism ever heard . . . the Bible speaks of the religion . . . as 'Torath Yahve', the instruction, or the moral law revealed by Yahve . . . in other places . . . as 'Yirith Yahve', the fear and reverence of Yahve. These and many other appellations continued for many ages to stand for the religion . . . the term Judaism . . . remained absolutely unknown to them . . . it was only in comparatively recent times, after Jews became familiar with modern Christian literature, that they began to name their religion Judaism."

As long ago as 1903 Rabbi Enelow and Rabbi Moses, with *Yahvism, and Other Discourses*, and by every other means available to them in their lifetime, exerted every effort to convince the many so-called "Jews" of historic Khazar ancestry already in the U.S.A. that irrefutable historic facts proved beyond any doubt "Judaism" was neither the name of the religious faith professed and practised by them, nor was the name "Judaism" the name of the religious faith professed and practised by the so-called "Jews" of the Holy Land in *Old Testament* history. They failed in their attempt and died very disappointed men.

Rabbi Enelow and Rabbi Moses were supported by other leading authorities on this subject, who concurred with them fully that the term "Judaism" was coined by the historian Josephus Flavius in the 1st A.D. century, many years after the Crucifixion of Jesus Christ, to describe the civilization of *Judea* using to do so one word only when comparing civilization in *Judea* at that time to *Hellenism*, the English of a Greek one word describing Greek civilization. Flavius Josephus was contrasting the two civilizations in his history of them.

Rabbi Enelow and Rabbi Moses in *Yahvism, and Other Discourses* reveal many remarkable facts on this subject. Space limitations will only permit the brief reference which follows here from their *Yahvism, and Other Discourses*:

"It was Flavius Josephus writing for the instruction of Greeks and Romans, who coined the term Judaism, in order to pit it against Hellenism . . . by Hellenism was understood the civilization, comprising language, poetry, religion, art, science, manners, customs, institutions, which . . . had spread from Greece, its original home, over vast regions of Europe, Asia and Africa . . . the Christians eagerly seized upon the name . . . the Jews themselves, who intensely detested the traitor Josephus, refrained from reading his works . . . hence the term Judaism coined by Josephus remained absolutely unknown to them . . . it was only in comparatively recent times, after Jews became familiar with modern Christian literature, that they began to name their religion Judaism."

It is a falsification of fact to call Jesus Christ a *Jew* in the sense that so-called "Jews" now call themselves *Jews*. It is misleading, confusing and will lead to liquidation of the Christian faith as such. Jesus Christ should not be called a *Jew* by U.S.A. Christians under any circumstances in the sense that the word *Jew* is used and generally understood today. The "big lie" technique of the unholyest hoax in all the recorded history of mankind brainwashed U.S.A. Christians into believing that Jesus Christ was actually a *Jew* in the sense that so-called *Jews* call themselves *Jews* now to bamboozle Christians.

Until and unless so-called "Jews" cease and desist calling Jesus Christ a *Jew* in the sense so-called "Jews" now call themselves *Jews*, it is inconsistent and incompatible with historic fact that U.S.A. Christians call Jesus Christ a *Jew*. It is also inconsistent and incompatible with history and theology for U.S.A. Christians to call Jesus Christ a *Jew* in the sense so-called "Jews" now call themselves *Jews*, and in the sense U.S.A. Christians today commonly use and understand the word *Jew* in their personal secular and spiritual associations.

Jesus Christ is a *Jew* in the legitimate sense of the word *Jew* only when, as or if the word *Jew* is used as a contracted and corrupted short English equivalent of *Iudaeus* in Latin and *Ioudaios* in Greek, the Latin and Greek which mean in English a *Judean*, in the geographic sense of *Judea*, the Middle East province of that name in the lifetime of Jesus Christ, in the far-flung Roman empire of that era. *Iudaeus* in Latin and *Ioudaios* in Greek never implied or inferred religion or race by innuendo or otherwise to those knowing the facts.

Jesus Christ cannot be called a *Jew* in the legitimate sense of the word *Jew* if so-called "Jews" of historic Khazar ancestry still continue their highjacking the word *Jew* so they can continue palming themselves off to U.S.A. Christians as *Jews* in the sense of their alleged kinship with Jesus Christ through their common ancestry with the so-called "Jews" of the Holy Land in *Old Testament* history, a fiction based upon a fable foisted upon U.S.A. Christians by the "big lie" technique of the unholyest hoax in all the recorded history of mankind for brainwashing U.S.A. Christians about a kinship with Jesus Christ.

When Jesus Christ is called a *Jew* in the legitimate sense of the word *Jew* it necessarily excludes the possibility of the existence of one *Jew* in the world, in the sense that the word *Jew* is the contracted and corrupted short English equivalent of *Iudaeus* in Latin and *Ioudaios* in Greek, the Latin and Greek words which mean a *Judean* in English, in the geographic sense of *Judea*, the homeland of Jesus Christ in the Middle East province of that name in His lifetime in the far-flung Roman empire of that era. History teaches *Judea* ceased to exist as a Middle East body politic almost two-thousand years ago, and therefore it is not possible there could have been a *Judean* on the face of the earth since that time, nor a *Jew* in the legitimate sense of the word *Jew*.

The word "Judaism" did not exist in the English language until after the 19th A.D. century. The English word "Judaism" was coined as the 19th A.D. century modern English for the 15th A.D. century English "iudaisme" so impossible to pronounce in phonetic English by persons taught to speak only English. The contracted and corrupted short English equivalent for Flavius Joseph's 1st

A.D. century *Iudaismus* in Latin and his 1st A.D. century *Iudaismos* in Greek was "iudaisme" and was coined in 1494 A.D. by the Englishman Fabyan. In the next five-hundred years Fabyan's "iudaisme" underwent a multitude of changes in spelling until it emerged in the 19th A.D. century as the modern "Judaism", coined by such 19th A.D. century scholars as Knox, Newman and Carpenter.

The "big lie" technique of the unholyest hoax in all the recorded history of mankind brainwashed U.S.A. Christians that the name "Judaism" was exclusively (1) the name of the religious belief professed and practised by so-called "Jews" of the Holy Land in *Old Testament* history and (2) the name of the religious belief professed and practised before and after that time by so-called "Jews" throughout the world for approximately four-thousand years.

Flavius Josephus wrote his famous history for the Romans and the Greeks very soon after the Crucifixion of Jesus Christ in *Judea* in the 1st A.D. century. In this history Flavius Josephus endeavored to point out to the Romans and the Greeks the many differences between the civilization in *Judea* and in the Middle East generally, and the civilization in *Greece* in his lifetime. Flavius Josephus was unable to find in either the Latin or Greek language a word which by itself signified the civilization of *Judea* and the Middle East generally, like *Hellenismus* in Latin and *Hellenismos* in Greek each signified in a single word the civilization of *Hellas*, the ancient Greek word for *Greece*.

Flavius Josephus coined *Iudaismus* in Latin and *Ioudaismos* in Greek in the 1st A.D. century. *Ioudaismus* in Latin and *Ioudaismos* in Greek each signified in one word the civilization of *Judea* and the Middle East generally, and were used accordingly by Flavius Josephus. Flavius Josephus was then correct when he included collectively in the civilization of *Judea* and the Middle East the attributes used in judging civilizations, their languages, their literature, their customs, their manners, their arts, their sciences, and their religious beliefs. Flavius Josephus did not coin *Iudaismus* in Latin and *Ioudaismos* in Greek to describe the religion professed and practised by so-called "Jews" of the Holy Land in *Old Testament* history in his time, which he makes very clear.

It was useless asking Englishmen taught to speak only English to pronounce the Latin *Iudaismus* and Greek *Ioudaismos* in phonetic English if Latin or Greek spelling was used for the phonetic English. Fabyan coined his "iudaisme" as the first contracted and corrupted short English equivalent of *Iudaismus* in Latin and *Ioudaismos* in Greek. It was equally useless to ask an Englishman to pronounce Fabyan's 1494 A.D. "iudaisme" in phonetic English with Fabyan's English spelling. English 19th A.D. century "Judaism" solved that problem.

The "big lie" technique of the unholyest hoax in all the recorded history of mankind brainwashed U.S.A. Christians into believing that Jesus Christ was a *Jew* in the sense that He was a rabbi in the Holy Land in *Old Testament* history and performed services as a rabbi in synagogues for congregations of so-called "Jews" using the ritual then prescribed by Pharisee rabbis. During His lifetime Jesus Christ expressed His deep-rooted contempt for the Pharisees.

Jesus Christ was not called a *Jew* in any English translation of the *Old and New Testament* until an 18th A.D. century translation was published. Commencing with Wiclif's famous first English translation of the *Old and New Testament* in 1380 A.D., Jesus Christ was successively called *gyu*, *giu*, *gyu*, *iu*, *iuu*, *iuw*, *ieu*, *ieu*, *iwe*, *iow*, *iewe*, *ieue*, *iue*, *ive*, *iew*, and finally was called a *jew* in an 18th A.D. century translation. These were the successive contracted and corrupted short English equivalents of *Iudaeus* in Latin and *Ioudaios* in Greek, meaning in English a *Judean* in the geographic sense of *Judea*, in the geographic sense of the Middle East province of that name in the far-flung Roman empire in that era. In modern *Old and New Testament* English editions *jew* is spelled *Jew* with a capital *J* without altering meaning or pronunciation.

The "big lie" technique of the unholyest hoax in all the recorded history of mankind is brainwashing U.S.A. Christians into believing that Jesus Christ was "King of the Jews" in the sense that so-called "Jews" today call themselves *Jews*. The references to Jesus Christ as "King of the Jews" were first made in English translations of the *Old and New Testament* centuries before so-called "Jews" highjacked the word *Jew* in the 19th A.D. century to palm themselves off on the Christian world as having a kinship with Jesus Christ. This alleged kinship of so-called "Jews" throughout the world today with Jesus Christ comes from the myth of their common ancestry with the so-called "Jews" of the Holy Land in *Old Testament* history, a fiction based upon fable.

Grave doubts exist in the minds of U.S.A. Christians whether Jesus Christ was "King of the Jews" in the sense so-called "Jews" today call themselves "Jews." This confusion results from the redactions made by the redactors of *Old and New Testament* verses centuries before so-called "Jews" highjacked the word *Jew* to palm themselves off on the Christian world as *Jews*. Pontius Pilate ordered inscribed upon the sign affixed to the Cross in *Judea* upon which Jesus Christ was Crucified "Jesus Nazarenus Rex Iudeorum." The literal English translation of Latin "Jesus Nazarenus Rex Iudeorum" is "Jesus the Nazarene, the Leader of the Judeans" emphatically not "Jesus the Nazarene, the King of the Jews."

The literal translation into English of the Latin "Jesus Nazarenus" is "Jesus the Nazarene." The literal translation into English of the Latin "Rex" is "a leader, a ruler" from the Latin verb "rego, regere, rexi, rectus" meaning "to lead, to rule." The literal translation into English of the Latin "Iudeorum" is "of the Judeans", the Genitive Plural of the Nominative Single "Iudaeus", meaning a *Judean* in English. Latin declensions of nouns certify that Genitive Plural "Iudeorum" of Nominative Single "Iudaeus" means "of the Judeans."

Pontius Pilate thus mocked Jesus Christ. Pontius Pilate knew that Jesus Christ was then neither "a leader" or "a ruler" of the Judeans. The political and religious *Judean* hierarchy protested in person to Pontius Pilate that Jesus Christ was "not the ruler of the Judeans." This protest is recorded in the original Greek text of the *Gospel of John*, XIX:19 which reads in English "Do not inscribe 'the monarch (basileus) of the Judeans (Ioudaios).'" The Sanhedrin, the highest judicial tribunal of the Judeans, sentenced Jesus Christ to die on the Cross. In the two-thousand years since then not one scintilla has come to light supporting the legend Jesus Christ was viewed in His lifetime as their "leader", as their "ruler", or as their "king" by Holy Land *Judeans*.

The far-flung Russian empire of the 20th A.D. century, a nation of approximately 9,500,000 square miles in Europe and Asia, a nation more than three times the size of the U.S.A. today, was founded as a small colony in the 9th A.D. century and grew to its present size in only a thousand years. In 820 A.D. a small number of adventuresome Varangians, possessed of a genius for organizing, and under the leadership of the celebrated Rurik, sailed across the Baltic Sea from their ancient homeland on the Scandinavian peninsula to remain forever as settlers on the mainland in northern Russia among Slavic roving nomads whom they organized into the diminutive Principality of Rus, the nucleus of the future great Russian empire, now succeeded by the U.S.S.R.

From the time of its foundation in 820 A.D. the tiny Principality of Rus continually engaged in wars with their many powerful neighbors on all sides for more territory in spite of the small population and the limited resources of the Principality of Rus with which to wage wars. In their endless wars for more territory the Principality of Rus came into headlong collision with its
